

REFORMATION HOPE BULLETIN

Special Announcement — March 2011

A Terrific Opportunity to Expand Our Compound in La Plaine, Haiti!

Dear Reformation Hope Partners,

Pastor Paul has been approached by the owner of the land located directly behind our current compound. He has offered Reformation Hope the opportunity to buy the land at the price of \$75,000. This is a wonderful blessing as it would effectively double the size of our ministry compound, including the addition of some mature fruit trees and garden plot. This acreage can be had without the expense of relocation or even the expense of additional wall construction at the present time. Basically, if we are able to raise the purchase price, we can expand into the space immediately!

We invite any of you who are moved of God to give to this golden opportunity while the land is available. Also, we have calculated that we presently have about 20 churches who are regular supporters of this ministry. If each church as a whole would commit to a one-time gift of \$4,000, RHI would be able to purchase this land for Pastor Paul and the orphans. Would you be willing to approach your church's session, diaconate, or missions committee with this kingdom challenge? Working together, as we have so often in the past, the Lord will use us for His glory in expanding our ministry among the people of Haiti!

For His Kingdom and Glory,
Rev. Martin Hawley
Director of Development, RHI
